

# Heaven

## Verse 1

Teach me how to listen  
I want to know Your voice  
Show me how to wade through  
Living in the natural  
Rise above the noise

## Verse 2

Teach me how Your heart beats  
Tether it to mine  
The surgery is worth it  
Get below the surface  
Open up my eyes

## Chorus 1

I wanna see Heaven  
So let Your Kingdom come  
I wanna see Heaven  
So let Your Kingdom come

## Verse 3

If faith can wake the dead man  
And hope can split the sea  
Then help me to remember  
The Kingdom of Heaven  
Is living in me

## Verse 4

If death it was no match for  
The resurrected King  
Then help me to remember  
That Heaven is alive  
And it's living in me

I feel the tides are changing  
I feel the walls are falling down  
I feel the darkness shaking  
We're calling up Salvation now  
(Right now yeah oh)

## Chorus 2

Heaven is open  
So let Your Kingdom come  
Heaven is open  
So let Your Kingdom come  
Heaven is open  
So let Your Kingdom come  
Heaven is open  
So let Your Kingdom come
